

30

DAYS OF

Thankfulness

By Allen Baguma

Day

1

30 days of Thankfulness

I am
thankful
I am
alive

Day

2

30 days of Thankfulness

It's not every day
that I think of how great
life is, just being able to
breath is wonderful.

It's

Amazing

how I receive
and consume so much
**oxygen without
any PAYMENT.**

Day

3

30 days of Thankfulness

A thankful **HEART**
is a Grateful Heart,
a Grateful **HEART**
is a Loving Heart,
&
a Loving **HEART**
is a Blessed Heart.

Day

4

30 days of Thankfulness

Small things

**don't matter
in Numbers**

but when you pick

o n e b y o n e

you can get to

know how

WONDERFUL

each is.

Day

5

30 days of Thankfulness

How

can I ever be

Ungrateful

when I have seen
the heart of a great

ALMIGHTY FATHER?

Day

6

30 days of Thankfulness

Sometimes

I am ungrateful but

when I lie on my bed

and see all the **blessings**
of the day- counting on by one.

I know I am **greatly loved**

and **cherished** by the

Almighty God.

Day

7

30 days of Thankfulness

If I had a

chance

to say

thank you

for every goodness;

I have been given even

if I was the first

child of Adam,

I would not finish them today.

Day

8

30 days of Thankfulness

Today my soul is full of hymns of thankfulness:

Oh my God

what a blessing to be alive,

what a blessing to write and read,

what a blessing to eat and be merry,

what a blessing to have a family and friends,

what a blessing to call you my father and my God,

what a blessing to love and be loved,

what a blessing to speak and be heard,

what a blessing to feel and to be felt,

what a blessing to cry, laugh, and mediate,

what a blessing for your word and inspiration,

what a blessing to be blessed and to be a blessing,

oh what a blessing to breath and be alive,

what a blessing for works and workings,

what a blessing for your wonder of creation and being created,

what a blessing for your wonders of creation and being created,

what a blessing for being male and female,

what a blessings for nation and leaders,

oh Lord there are so many blessings

Day

9

30 days of Thankfulness

Anytime

I look to the

SKY

as the rain comes

dripping,

I see the sky laugh at in

thankfulness

for a bill-less wash

Day

10

30 days of Thankfulness

What would life be
without you my love,
I know it would be

**sad, empty, boring,
not exciting
and terribly l o n e l y.**

I am Grateful
JUST for you.

Day

11

30 days of Thankfulness

Even
the trees
clap their hands in
thankfulness,
awesome **God!**

Day

12

30 days of Thankfulness

My soul

be

thankful

for it's yet

another

day

Day

13

30 days of Thankfulness

Well, what

MORE can I say,

is thank you

Enough?

Day

14

30 days of Thankfulness

Even if all is gone

yet will I be **thankful**

for the

memories of love

that are enclosed within my

heart,

without them my life would
have nothing.

Day

15

30 days of Thankfulness

How would my life be
without a **PEN**?
I was born to write.
Thank you,

LORD,
you armed me with a Pen

Day

16

30 days of Thankfulness

Are
WORDS
enough
to say
thank you!

Day

17

30 days of Thankfulness

**TODAY,
I have made it;
TOMORROW I shall do it
and YESTERDAY.
Thank you, Lord**

Day

18

30 days of Thankfulness

Listen,

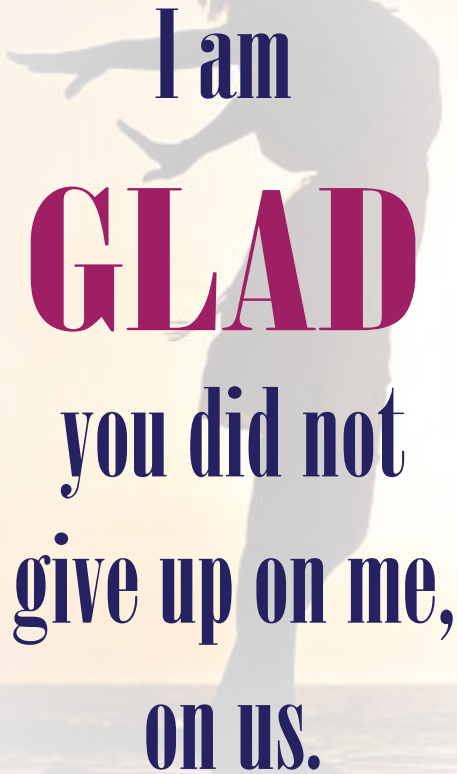

I am glad I met you,
I am glad I found you,
I am glad we have walked
the same path.

I am glad you are
imprinted
in my life's story
and history

Day

19

30 days of Thankfulness

**I am
GLAD
you did not
give up on me,
on us.**

Day

20

30 days of Thankfulness

I am
Glad

you are

MINE

and

I am

YOURS

Day

21

30 days of Thankfulness

Can you see
the deep of
the ocean?,

I wish you could,

then you would
know how

Grateful I Am

Day

22

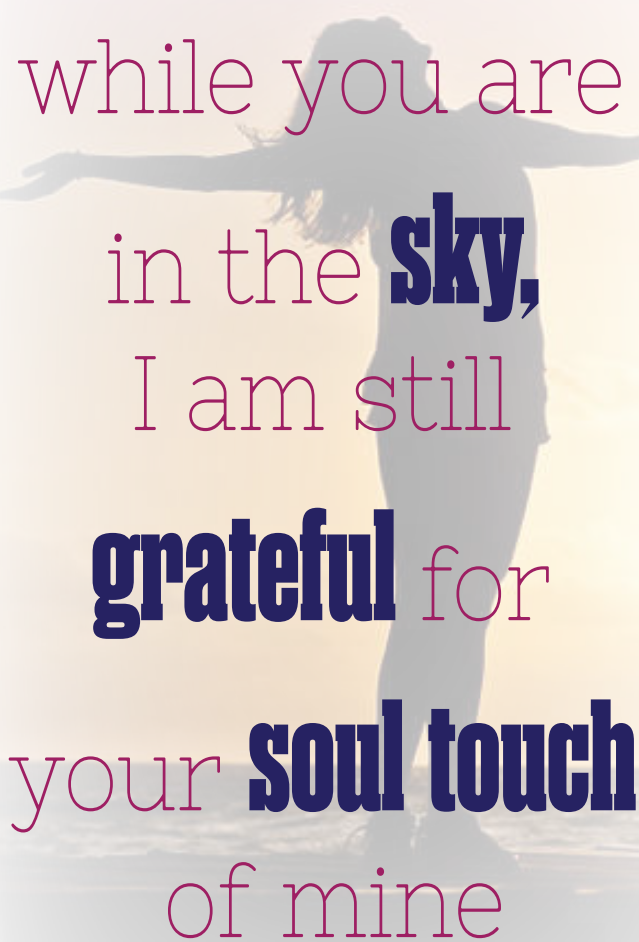

30 days of Thankfulness

It's not usual
for the
heart to sing but
right now my heart
sings for love,
the love we have
shared all the years.

Day

23

30 days of Thankfulness

Even
while you are
in the **sky,**
I am still
grateful for
your **soul touch**
of mine

Day

24

30 days of Thankfulness

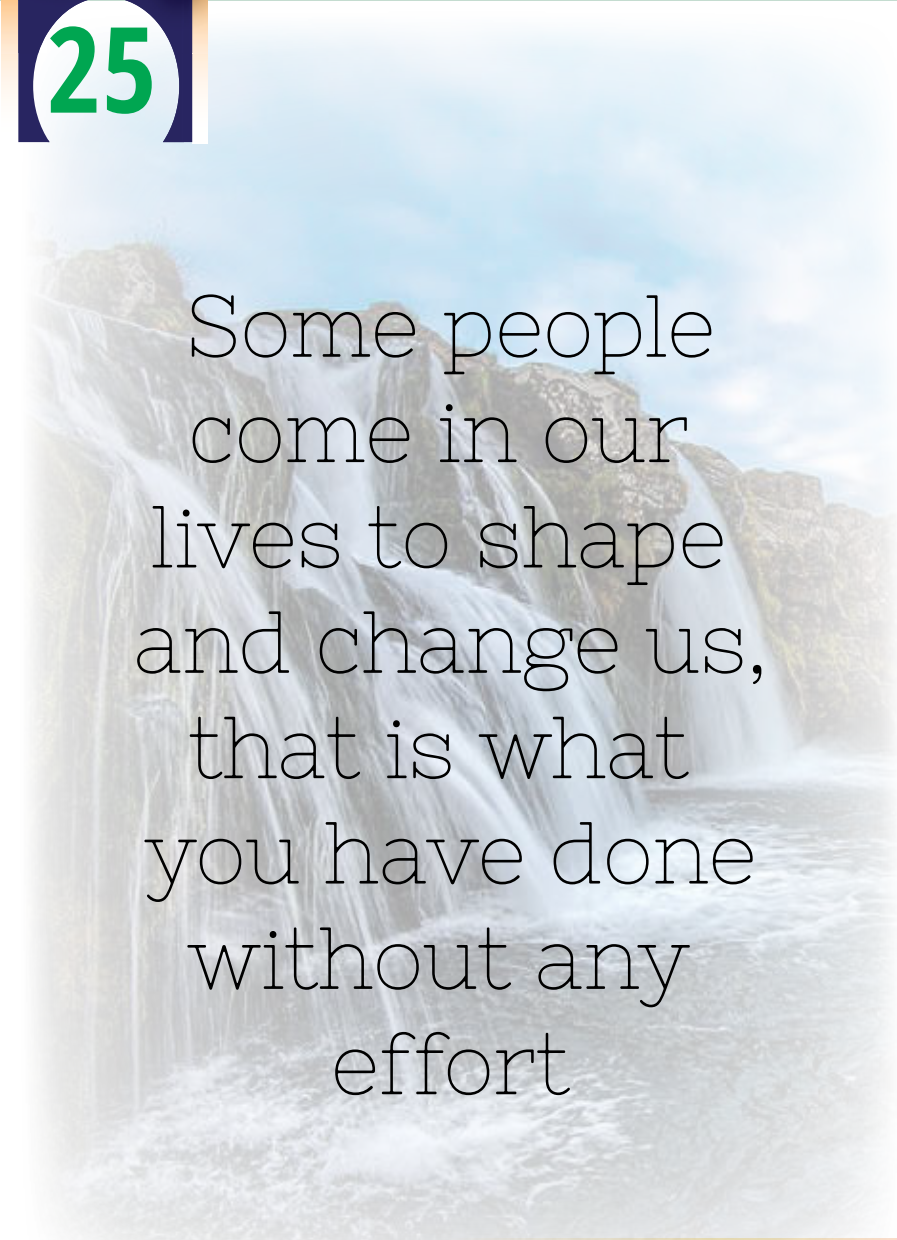

I could write
you a page after a page
with only two words,

Thank You

Day

25

30 days of Thankfulness

Some people
come in our
lives to shape
and change us,
that is what
you have done
without any
effort

Day

26

30 days of Thankfulness

If

Thankfulness

is a **shape**,
it would be
a **shapeless**
shape

Day

27

30 days of Thankfulness

My heart
has taught me
that the most
important virtue
I need is a
grateful heart

Day

28

30 days of Thankfulness

**A grateful heart
unlocks closed doors,
merits us even when
we are not merited,
open bronze gates and
unmasks hells plans.**

Day

29

30 days of Thankfulness

Grateful

from the lips

is not

gratefulness

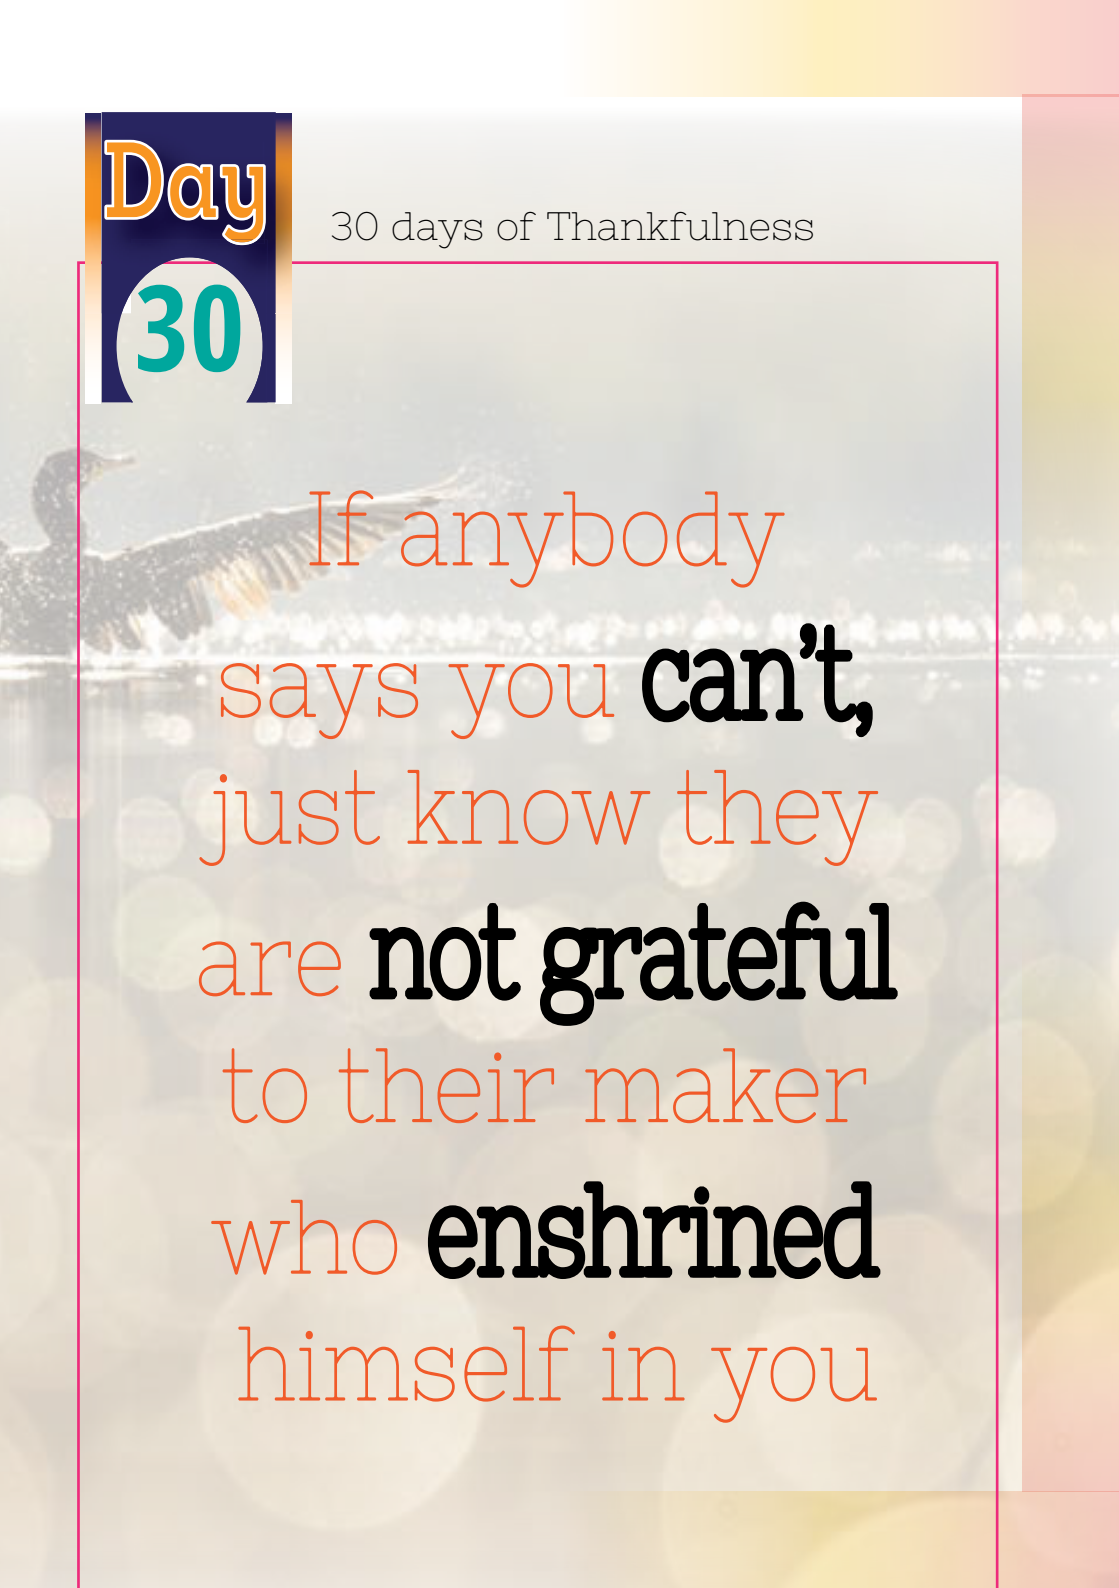

from the heart.

Find the latter

30 days of Thankfulness

A swan is shown in flight over a body of water, with its wings spread wide. The background is a soft, out-of-focus bokeh of light spots, creating a dreamy atmosphere. The text is overlaid on this background.

If anybody
says you **can't**,
just know they
are **not grateful**
to their maker
who **enshrined**
himself in you

30 Days of Thankfulness

“A thankful heart is not only the greatest virtue but the parent of all the other virtues...” says Cicero

This is the reason I have penned this free e-book to remind us to be thankful every day for at least the next 30 days...

Being thankful is not only an honour but a duty-bound to all men.

It is not only an obligation but a responsibility towards our maker and fellow men.

It's sometimes thought that we should be thankful for great things, which are not correct, we should be thankful and grateful to the infinitesimal of the universe as is the mighty of the same universe.
